

***A Focus on Resiliency in the Psychosocial Support of Children in Crisis:  
Lessons Learned from Programming in Conflict and HIV/AIDS Affected Communities***

3rd Annual Nebraska Disaster Behavioral Health Conference.  
Omaha, Nebraska  
July 14-15, 2005

**Bibliography**

The following selected bibliography cites some key texts on the subject of psychosocial programming for children affected by conflict (including children associated with fighting forces) and HIV/AIDS. The reference is non-exhaustive, and lists other bibliographies on the subject.

**Bibliographies, References, Resources**

Center for Victims of Torture. (Undated) *Resource List for College Educators: Global War and Violence*.

International Institute for Child Rights and Development. (2004) *Children as Partners (CAP) Annotated Bibliography*. Quebec: Canadian International Development Agency.
