Today.

Warm up!

Defining Organizational Practices

Organizational Practices Drivers

Q&A

Next Session & Wrap

Hi, I'm Joshua.

what lights me up

Evolving work
for good

About Econic.

Econic is a leadership, innovation and organizational culture consulting group.

We exist to help people practice the behaviors that grow themselves and their organizations.

Warm up

When was a time a manager or a leader saw something special in you and invested in your development?

Defining

Organizational Practices.

Defining Organizational | Practices

Organizational practices are ways an organization runs and how it handles things like **decision-making, teamwork, and problem-solving.**

Good organizational practices help the organization run smoothly and keep **everyone working together toward common goals.**

Organizations are dynamic systems.

DISCONNECTION

INTERCONNECTEDNES

PARTS

WHOLES

ISOLATION

RELATIONSHIPS

A system is a set of components that work together to perform the functions required to achieve the system's objective.

*Donella Meadows,
author of The Limits to Growth and
Thinking In Systems*

10 Core Org Practices

#1

Teamwork

Collaboration with others to manage unexpected challenges.

#2

Role Clarity

Most people in our organization have a clear understanding of their role.

#3

Continuity

If key people in our organization were unavailable, others could fill their roles.

#4

Listening

Managers actively listen to our employees.

#5

Prioritization

Our organization has clearly defined priorities for what is important.

#6

Trendspotting

Our organization pays attention to workforce trends.

#7

Experiences

People are encouraged to try different roles to gain experience.

#8

Decision making

When needed, our organization can make tough decisions quickly.

#9

Development

Professional Development opportunities are available.

#10

Advancement

Opportunities for advancement are available.

If you are interested in taking the Organizational Assessment, contact Jason.Shonerd@unl.edu

**How do we
identify
meaningful
development
opportunities
?**

*Write it
down*

Identifying development opportunities

- What unique strengths and talents does the team have?
- How can these strengths and talents be ignited to their fullest potential?
- What are the specific development needs of the team?
- In what areas do team members hope to grow, and how can this growth be supported?
- How do these growth goals align with the strategic priorities and needs of the organization?

Five core questions to explore

Resource: [Retention & Recruitment Toolkit](#)

**What
difference
does it make
if we invest
in our team's
development**

?

What difference does it make if we invest in our team's development?

Strengthen core competencies to be successful in the role.

Build a sense of connection to the team and organization.

Attract talented people who are interested in learning and striving for excellence.

Build skills readiness and resilience mindset for the future.
